

Dommel Valley Group

Michel Koonen

Next Learning 2016

Introduction

Dommel Valley Group:

- Founded on 01-05-1998 (Philips EMT, FEI, University Leuven and Rabobank)
- Focus on Learning and technology
- In 1999 extended with Fontys, ASML, OCE, Bosch packaging, Philips Medical, Philips Lighting
- Since then extended with TUE, VanderLande, Assembleon, VDL-bus, NXE, etc.
- Dommel valley group members: Instructors, course developers, coordinators, Learning architects/professionals and Learning managers.
- Organizing Quarterly meetings and an Event targeted to our own audience.

Quarterly Meetings

- 3 meetings per year.. Visiting a company.
- Getting a view in their learning 'kitchen'.
- Exchange on knowledge, experience and best practices,
- Costs: 0 Euro... No commercial intent !
- Not accessible for commercial parties / or very limited.

Dommel Valley Event

Once every 1.5 years an OWN event is organized.

- 2009,
 - 2010,
 - 2011,
 - 2013 (Oct)
 - 2015 (April)
 - 2016 (Oct)
-
- Full program is offered with Key-note speakers, parallel sessions and video recordings of the event.
-
- On average between 250 and 400 people visit the event and limited seats are available to “outsiders”. Last 3 events were held at the TUE.
